To edit your site, sign in and click on the blue edit button on the upper left part of the menu bar.

Build your pages with the blocks in the sidebar palette.

To edit text, simply place cursor in the area you want to edit and type.

To edit photos, select the photo and the edit photo icon in the menu bar. You will get the photo-uploader popup. (Choose the Video tab to embed videos.)

Save your changes frequently and discard if you don't like the changes made.

Add new pages and edit the main menu with the "Content" drop-down menu.
